

# Grocery Store Connections

Choose a product in the store to focus on today. I want you to observe it. Answer the questions in the bubbles below...

What is it? (Draw it, name it)

What size is it? What does it cost?

What brand is it? (Off brand vs on brand?) Compare it to another product (cost, size, taste)

Can you buy this product in bulk? How does this affect the price?

- Date I went shopping #1:
- Date I went shopping a month later #2:
- Did the cost change on shop #2?
