

My Personal Budget Preparation Sheet

Let's start by considering what is coming **“in”** (income) and what is going **“out”** (expenses).

Summer:

What **income** do you earn on a regular basis?

What **income** do you earn on an infrequent or seasonal basis?

What **expenses** do you have on a regular basis?

What **expenses** are not common, may be infrequent or seasonal (every fall I....)?
